

2009 Clay County 4-H

Livestock Record Books and 4-H Year Summary Books

The livestock record books, as in years past, will be mandatory for 2009 Clay County 4-H. Each member showing in the name of 4-H will need to turn in, to the Clay County 4-H office, the Clay County Fair Livestock Record book and a 4-H Year Summary Book **on or before 2:00pm July 17, 2009.**

(The 4-H members are more than welcome to turn in both books to the 4-H office as soon as they pick up their livestock record books from the fair's final judging of them.)

Not presenting a completed Livestock Record book and 4-H Year Summary Book will have an effect on the 4-H member being in good standing and effect them showing in the name of 4-H.

For questions or extra copies of the 4-H Year Summary Books please contact:

Or :

Savannah Pipkins at the number/address above. 4H Summary books will also be available on the 4H website: <http://clay.ifas.ufl.edu>

Thank you for your time and Good Luck with your steer or swine!!!
